Frigidaire
 models for
 every home

Frigidaire is made in models and sizes for every home—to meet every requirement and fill every need.
 Frigidaire supplies ideal refrigeration. Without ice, without fuss or trouble, it gives you economical electric refrigeration, healthful food, and untold convenience.
 Frigidaire will keep your food fresh indefinitely—fresh as the day you bought it. It automatically maintains an even-cold temperature.
 Come in and see Frigidaire in operation. See how it preserves food with all its original freshness. See how you can make many different frozen desserts—how you can freeze ice cubes from your own pure drinking water.
 Let us tell you how easily Frigidaire can be installed in your home and how little it will cost. The price is low and there is a time payment purchase plan for those who wish it.
