

## L. B. Hinton

L. B. Hinton, for the past fifteen years owner of The Clintonville Electric Company, 3367 N. High St., announces the opening of the new sales rooms at 3361-3363 N. High Street. The rooms formerly occupied by The Tropicana Record Bar and The Clinton Inn, which were destroyed by fire, have been completely rebuilt and will open for business March 5th.

Six thousand square feet additional floor space will be used to display better new and used appliances and to provide increased service facilities to an already large and complete TV and Appliance Dept.
